### Section 3. Comments

The following two open-ended questions are responses from your students pertaining to you, and the course.

Please provide any additional comments with respect to **Brittany Cagle**.

Comment
Great Teacher
Great TA, really enthusiastic, helpful, and involved with us.
Brittany was such a GREAT T.A. She made us as students know that she was always available for extra help on assignments. Also, she was veyr organized and had everything posted and graded in such a fast manner.
Brittany was an AMAZING teacher! Very helpful in discussions and providing comments and advice on how to better improve writing
Amazing class! Brittany was an amazing TA. She consistently showed that she cared for her students and was always willing to help!
Brittany was the only reason why I actually enjoyed the class; she's caring, interested in what the students say, and VERY generous with being available as much as she can which is awesome- you don't get that from other GA's. She is probably one of the best GA's I've ever had and she goes beyond what a normal GA would do to make sure that we are as successful as we can be. The only thing I'm still confused about is how my final paper grade went down after I had made revisions for it...
Other than that, I really do like Brittany and she's truly wonderful at what she does.
Brittany is an awesome TA. Super helpful, clear instruction, and very encouraging. She seems to really care about the success of her students.
Brittany is THE BEST T.A. .... EVER. Very kind, sweet, sincere, really tried to stimulate discussion. She deserves many good things from life and from the institution of USF. Somebody give her an award or something, seriously.
Brittany was great! Super nice and super knowledgeable!
Brittany was immensely helpful in providing the information and tools for us to be prepared for quizzes and assignments. She was eager to get the class involved and continued to pursue our attention even when the class was reluctant to share their ideas.
She's energetic and helpful. One of the best TAs that I've had here at USF.

Comment
Great course, learned a lot
Great class, I really learned a lot regarding the technical aspects of film.
Very interesting course and provides good analysis of films
Really enjoyed this class, would recommend it to others.
Great list of movies! I do feel that the rest of the T.A.s could learn a thing or two from Miss Cagle and pick better movies for the student analytical essays. Seriously, I was lucky to have Brittany and her awesome list of movies to choose from in order to base my paper. The rest of the lists were kind of "dry" and uninteresting from what I could tell. We need more pertinent movies! Overall though, very fun course.
This class provided a well-rounded view of film over the last century and allowed the student to share their opinions and ideas in a productive way. The lecture preceding film viewing didn't seem entirely necessary, but the break-out session after the film was immensely helpful in aiding students in their ideas and writing.
